

Environmental.

Policy.

1. Introduction

1.1 As an Environmental Education centre, our principal aim is to inform our users and neighbours of the reasons for, and the benefits of, working and living in an environmentally friendly way. We believe that leading by example is the best way for us to achieve this aim.

1.2 This Policy and accompanying Procedures recognise the important role that all the following groups within and associated with Wildside Activity Centre have to play in order to implement the Environmental Policy successfully.

- 1.2.1. The Board and Management
- 1.2.2. Contracted and Sessional Staff
- 1.2.3. The Wildside Conservation Volunteers
- 1.2.4. The Members and Friends
- 1.2.5. User Groups
- 1.2.6. Visitors

2. Practice

2.1. This policy should be ready in conjunction with the accompanying Procedures which establish the good practice which underpins our principles in this area.
