

Wildside Activity Centre

Wildside is seeking new Board members. This is a fantastic opportunity to be part of a small fast-developing charity in a critically important role. We need Board members who will share our ethos and help us to continue to grow our programmes.

Wildside is a small charity based by the canal less than two miles from Wolverhampton City Centre. All ages, all abilities – we reconnect people with nature. We offer environmental and adventurous activities, creating high quality opportunities for outdoor learning, health and wellbeing and outdoor pursuits. We particularly seek to reach groups suffering deprivation or disability.

We would especially welcome to the Board people who share the ethos of the Centre and have experience and skills in the private sector, in finance, marketing or social media. The Board meets 6 to 8 times a year and all Board members also give time in some capacity between meetings. We were recently winners in the People's Project Awards with our project Wellbeing at Wildside. You can see the film about the project at
