“Thank you so much for everything you did to make my 50th birthday so special. I loved the room and the wonderful view of the canal: it is a really special place.”

Situated in beautiful surroundings, Wildside is the perfect setting for your celebration or function.

“The kids loved driving the narrowboat as well as opening the locks. Fantastic for our daughter’s fourth birthday.”

Narrowboat parties

For a totally unique celebration, embark on your own private party along the Staffordshire and Worcestershire Canal aboard our charming narrowboat, Trebalisa. Trebalisa comfortably seats 20 passengers and is accessible for people using wheelchairs.¹ We provide the skipper and crew, leaving you to run and organise your party as you wish. Bring your own food and drink, decorations and entertainment! Allow more time if stopping for a meal. Choose from four narrowboat trips:

- Short trip to Atherley (1.5 hours approx.) | £120
- Trip to Wightwick², day or evening, (4 hours approx.) | £200
- Trip to Coven² (5 hours approx.) | £250
- Full day trip to Brewwood² (7-8 hours approx.) | £300

1. Wheelchairs affect total space available – get in touch to discuss your requirements. 2. Picnic stops can be arranged for these trips.

Party room

Hire our delightful party room, complete with canal side view. The room is fully accessible, comes with a small kitchen area and accommodates around 50 people, 35 if seated around tables. A great option if you’re looking for flexibility and want to arrange your own catering and decor:

- 3 hours | £70
- Full day | £120

Children’s parties

Choose from one of three nature themed party packages for hassle-free birthday fun. All activities suitable for children aged 4 years and above. For an extra special treat, why not hire our narrowboat and throw a pirate or picnic themed party for your little ones. Themed parties are £120 for 1.5 hours, up to 20 children, followed by use of our party room for up to 1.5 hours. Narrowboat hire charges as above.
