

# Nature activities

Wildside's collection of fun activities for all ages and abilities

# Wildside Activity Pack

With recent lockdowns and restrictions on what we can do, we at Wildside feel it is still vitally important for you and your loved ones to get outdoors and access the natural world. This pack has been designed for those wanting to connect to nature in their own time.

You can use these resources on your daily walks or pre-planned activities to find out more about the natural world around you, or as a guide to help you create your own unique adventures.

We would love to see how you have used the resources in our pack, so please let us know how you get on - photos would be brilliant! You can email us at [info@wildsideac.co.uk](mailto:info@wildsideac.co.uk) with your updates.

# Bird watching

You can see birds almost everywhere; in your garden, parks, along the canal, even in the trees on the roadside.

This checklist shows some of the more common birds you are likely to see but there are many cheap books available with details of all the British species.

**Blackbird**

Females are less colourful in some species

Blackbirds and Robins are ground feeders

**Robin**

**Bluetit**

Look at colours and markings to help with identification

Blue tits feed in trees and from hanging feeders

**Wood pigeon**

**Mallard**

Wood pigeon can be seen feeding on the ground and bird tables

Waterfowl can be seen on the canal and banks

**Moorhen**

**Wildside Activity Centre**

Hordern Road, Whitmore Reans  
Wolverhampton WV6 0HA
