Minimum and maximum numbers apply. If we receive insufficient bookings for an activity, we reserve the right to cancel. If we have to cancel, we will contact you from the details given on your booking form not less than two days beforehand. The activities are designed for families; we cannot accommodate large groups from play care schemes, day centres etc. but these groups are very welcome to make bookings at other times.

We are unable to offer our normal holiday open family boat trips but we are hoping that boat trips for single households or support bubbles will be possible soon. If you are interested in booking your own boat trip, please give us a ring for more details.
